The EYE of the DRAGON
DAVE MORRIS

It should have been a simple mission. You were sent to bring back the fabled Eye of the Dragon from the half-submerged ruins of Thallos. But you arrived to find an earlier expedition decimated, and eerie denizens of an oceanic realm stalking the ancient avenues. As night falls you must evade their patrols and link up with the survivors of the expedition. Everything depends on your courage as a Warrior and skill as a Magician.

This is fantasy adventure with a difference – YOU are the hero! A pencil, an eraser and two dice are all you need to embark on your quest. Success and vast riches – or failure and savage death – will depend on the decisions YOU make!

It should have been a simple mission. You were sent to bring back the fabled Eye of the Dragon from the half-submerged ruins of Thalen.
